\* Примечание: в таблице 2 для India указано ориентировочное число ритуальных *майданов* — площадок для индуистских и других общественных ритуалов и церемоний. Такие *майданы* есть практически во всех населенных пунктах. Для Ukraine указано число курганоподобных сооружений с названием «*майдан*», приводимое исследователями на начало 20-го века. Для смежных Воронежской и Курской областей России их число составляло около 500. Всего – около 2000 [1].
